## **Create UI to interact with application**

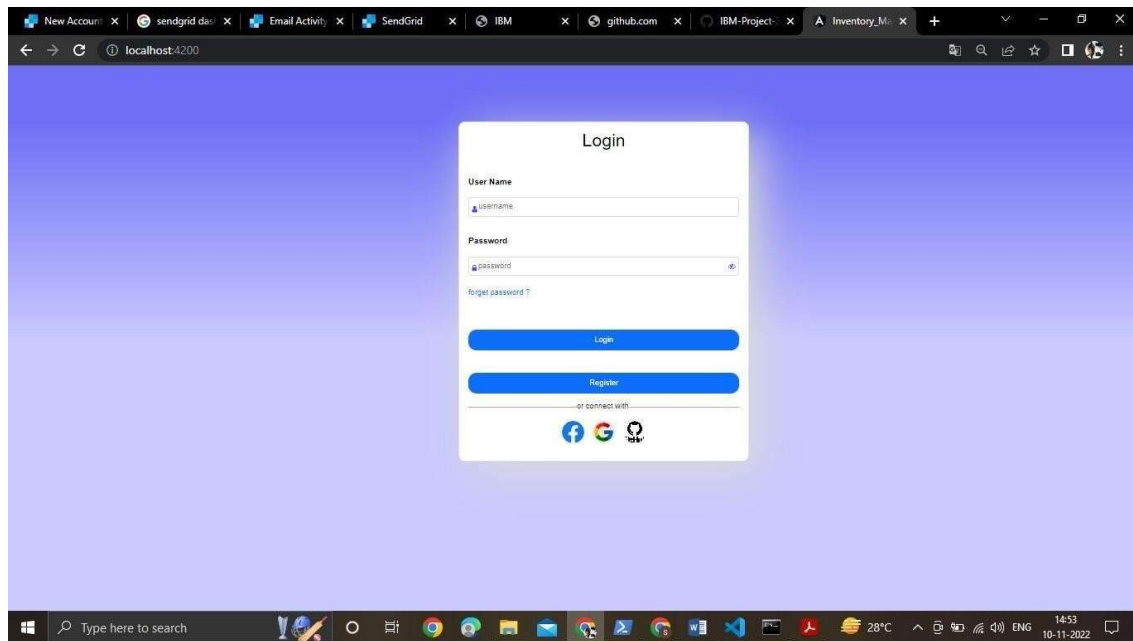

### **Registration Page**

The screenshot displays a web browser window with multiple tabs open. The active tab is 'Inventory\_M'. The address bar shows 'localhost:4200/signup'. The main content area features a 'Create New Account' form with the following fields and buttons:

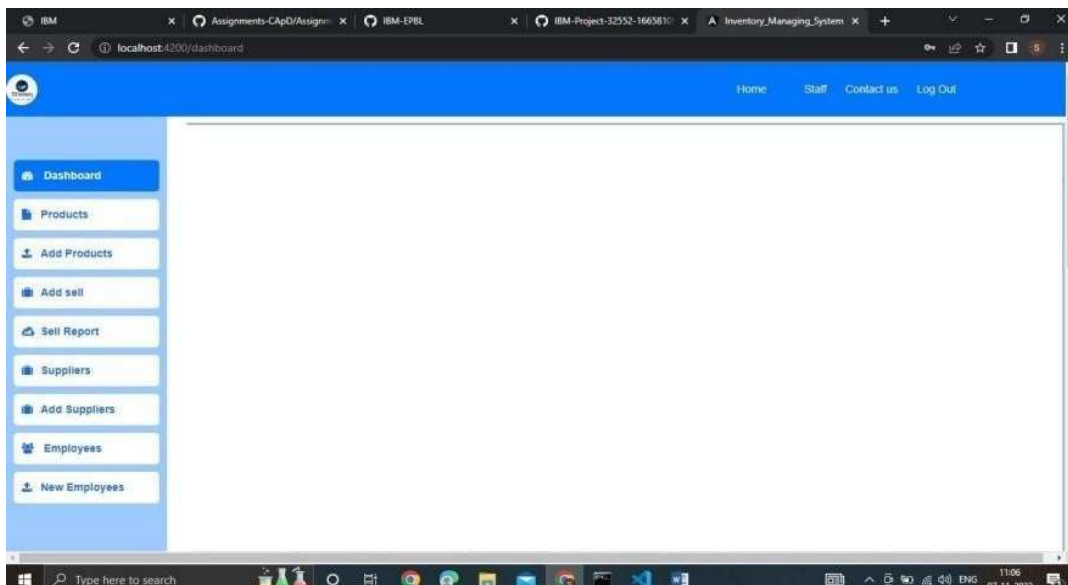

- User Name:** A text input field with a small user icon on the left.
- Email:** A text input field with a small envelope icon on the left.
- Password:** A text input field with a small lock icon on the left and a toggle icon on the right.
- Register:** A blue button with white text.
- Already Have an Account:** A link in small text.
- Login:** A blue button with white text.

The background of the page is a light blue gradient. The Windows taskbar is visible at the bottom, showing the search bar and various application icons.
